

Statutes of NRW.BANK

Dated June 28, 2021

Pursuant to Section 7 sub-section 1 sentence 1 letter a of the Act on NRW.BANK (“Gesetz über die NRW.BANK”) of March 16, 2004 (GV. NRW. p. 126), as last amended by the Act of March 26, 2019 (GV. NRW. p. 196), the Board of Guarantors of NRW.BANK adopted the following version of the Statutes of NRW.BANK on June 28, 2021:

Section 1 Name, Legal Form, Head Office

- (1) NRW.BANK has legal capacity by operation of law. It is a credit institution in the legal form of an institution under public law.
- (2) NRW.BANK has its Head Office in Düsseldorf and Münster. The Bank may establish branch offices.
- (3) NRW.BANK uses a seal with the words “NRW.BANK Düsseldorf/Münster”.

Section 2 Guarantors, Liability

- (1) The guarantor of the NRW.BANK is the State of North Rhine-Westphalia.
- (2) The Guarantor guarantees that the Bank is able to carry out its required functions (institutional liability).
- (3) The Guarantor is liable for the obligations of NRW.BANK in the event that the assets of NRW.BANK are insufficient for settlement. The Guarantor is directly liable for loans taken up and bonds issued by NRW.BANK, futures and forward transactions, rights arising from options and other loans to NRW.BANK as well as for loans expressly granted by NRW.BANK.

Section 3 Equity Capital

- (1) NRW.BANK has capital amounting to EUR 17 billion, which is exclusively held by the Guarantor.
- (2) NRW.BANK may admit legal entities under public law – also from other federal states – as guarantors subject to their participation in the capital. The capital participations of the North Rhine-Westphalian guarantors must amount to a minimum of 51 per cent.
- (3) The capital and the reserves constitute the equity capital of NRW.BANK.

- (4) The equity capital is unlimited in time and may – except in the case of the liquidation of NRW.BANK or in the case of the offsetting of a loss – be repaid or otherwise reduced only after prior approval by the authority in charge of banking supervision. A claim of the guarantor to the return of equity capital arising in the event of liquidation shall be subordinate to all claims of all current and future creditors.
- (5) NRW.BANK may grant subsidies only to the extent that the funds required for this purpose will be refunded by the guarantor.

Section 4 Retired Guarantors

Retired Guarantors remain liable for liabilities of NRW.BANK which were justified at the date of the retirement becoming effective. The obligations from Section 11 of the Act for the Creation of Landesbank Nordrhein-Westfalen and for the Conversion of Westdeutsche Landesbank Girozentrale (“Gesetz zur Errichtung der Landesbank Nordrhein-Westfalen und zur Umwandlung der Westdeutschen Landesbank Girozentrale”) dated July 2, 2002 (GV. NRW. p. 284) continue to apply to a retired Guarantor.

Section 5 Promotional Mission, Activities

- (1) NRW.BANK has been commissioned by the government mission to support the federal state and its municipal corporations in meeting their public tasks, particularly in the fields of structural, economic, social and housing policy and carry out and administer promotional measures in compliance with the benefit regulations of the European Union. In this regard, it is governed by the principle of sustainability.
- (2) To fulfil its mission, NRW.BANK will operate in the following promotional segments:
 - a) securing and improving the small and medium-sized business sector, especially through finance for business start-ups and business expansion,
 - b) within the framework of social housing promotion,
 - c) providing venture capital,
 - d) urban development,
 - e) infrastructure initiatives,
 - f) agricultural, forestry and rural initiatives,
 - g) environmental protection initiatives,
 - h) technological and innovation initiatives,
 - i) purely social initiatives and

Details of the tasks performed in the context of social housing promotion stated in sentence 1 letter b above are laid down in the “Gesetz zur Förderung und Nutzung von Wohnraum für das Land Nordrhein-Westfalen” (Law on the Promotion and Use of Housing for the State of North Rhine-Westphalia) of December 8, 2009 (GV. NRW. p. 772), as last amended by the Act of October 12, 2018 (GV. NRW. p. 554), and the promotional regulations of the federal state. Details regarding the other promotional segments are defined in the promotional guidelines.

- (3) In the context of its mission, NRW.BANK may also provide loans and other kinds of financing to central, federal and local governments and special-purpose associations under public law and participate in projects financed by the European Investment Bank, the Development Bank of the European Council or comparable financing institutions for projects in the interest of the Community.
- (4) To fulfil its mission, NRW.BANK may use all financing tools used normally in the banking sector, in particular grant loans and credits, give guarantees and warranties and acquire interests. Within the framework of its mission, it is entitled to acquire an interest in companies being legal entities under public law including or excluding liability of guarantee authority. In case loans or credits are granted, banks are usually included according to the principle of transmission or by way of financing by a syndicate. In the relationship to other banks, NRW.BANK respects the principle of non-discrimination.
- (5) To fulfil its mission, NRW.BANK may also manage transactions and offer services which are related to its tasks. Within this framework, it may also perform treasury management and risk management services, raise subordinate guarantee capital and issue uncovered bearer bonds, profit participation rights, public-sector mortgage and other bonds, purchase and sell financial instruments and purchase and sell debts. Securities trading as well as the deposit-taking and giro business are also permissible if they are directly related to the performance of NRW.BANK's tasks.
- (6) Activities of NRW.BANK, which are not included in the sub-sections 1 to 5 or which do not meet the conditions defined there, are to be carried out by legally independent companies without public support, in which NRW.BANK may hold a majority interest, at the latest after July 18, 2005. Refinancing funds, guarantees and other services granted by NRW.BANK to such companies as well as services provided by such companies to NRW.BANK are to be paid in line with market conditions. The Guarantors of NRW.BANK on July 18, 2005 are liable for the discharge of all debts of NRW.BANK from activities in the sense of sentence 1. For debts of this kind which were agreed until July 18, 2001 there is no time limit, while for debts of this kind agreed after July 18, 2005, this is applicable only if their term does not exceed December 31, 2015. The Guarantors will meet their obligations under the guarantor liability towards the creditors of the debts of this kind agreed until July 18, 2005 immediately, as soon as they have stated in writing upon their maturity that the creditors of these debts cannot be satisfied from the assets of the institution in question. Obligations of NRW.BANK of this kind on the basis of their own guarantor liability or comparable liabilities are agreed and payable in the sense of sentences 3 to 5 at the same date as the debt secured by a liability of this kind. Several Guarantors are jointly and severally liable; the Guarantors among themselves are liable in proportion to their shares in the capital.
- (7) NRW.BANK shall conduct its activities in accordance with commercial principles, taking into account the public welfare. Profit is not the main object of the conduct of business.

Section 6 Cover for Bonds

The mortgage or other bonds of NRW.BANK, either in circulation or to be issued, which are subject to the German Mortgage Bond Act dated May 22, 2005 (BGBl. I p. 1373), as last amended by Section 2 of the Act of May 12, 2021 (BGBl. I p. 1063), must be covered in accordance with the provisions of this Act.

The Chairperson of the Supervisory Board will be given such authorisation by the Chairperson next designated by rotation. This does not affect the authority of the Managing Board to make all necessary and appropriate statements in the interest of NRW.BANK as a part of the discharge of its management duties.

- (3) The members of the executive bodies are barred from participating in deliberations and from voting on issues which can potentially place them in a conflict of interest, particularly where the matter at hand may result in a direct advantage or disadvantage for themselves, for a related party or for a company or person they represent by virtue of law or by virtue of a proxy. Sentence 1 shall not apply where German Supervisory Law requires the members of the executive bodies to participate in decisions.

No conflict of interest shall be deemed to exist where guarantor representatives vote on intra-entity loans to the guarantor.

In cases of doubt whether a conflict of interest exists, the executive body shall take a vote, with the member concerned abstaining.
